2010 Fantasy Baseball Contest

on the web at----- www.bartscontest.com bartscontest2010@gmail.com

1. Local entries are due by noon on **Tuesday, April 6** Mailed entries must be postmarked on the 6th or before. The entry fee remains at \$10 and multiple entries are allowed. Entries can be mailed to Jim Johnson at 432 River Bluff Dr., Dixon, IL 61021. If you are in the Dixon area you can drop entries off at Farley's Appliance. Make checks payable to Jim Johnson.

2. Your 15-man roster must consist of 10 hitters and 5 pitchers as prescribed in Rules #3 and #4. The roster must be selected from among the players listed. Players must be selected for the field positions listed. The ten hitters will fill the regular 8 positions plus 1 extra OUTFIELDER and 1 extra INFIELD-CATCHER. The 5 pitchers must include 4 starters and 1 reliever.

3. Of the 10 hitters, you may select only three "top of the liners" as designated by *. You must select at least two players from the "lineup fillers" designated by *. The remaining five hitters may be selected from the "solid citizens" designated by **.**

4. Of the five pitchers, you may select only two "top of the liners"(*) and must select at least one from the "lineup fillers"(*). The remaining two pitchers may be selected from the "solid citizens" (**) category.**

5. Scoring will be in seven categories, four batting and three pitching. Pitchers batting stats will not count in the scoring.

Batting categories:

- A. Runs - for each run scored by your hitters, you get 0.75 points.
- B. Home Runs - Each homerun is worth 0.50 points.
- C. RBI's - Each RBI is worth 1.25 points.
- D. Stolen Bases - Each stolen base is worth 0.25 points.

Pitching categories:

- A. Wins - Each game won by your five pitchers is worth 12 points.
- B. Loses - For each loss, 3 points will be subtracted.
- C. Saves - Each save is worth 4 points.

6. Prize money will be awarded based upon the number entries. A prize list will be created shortly after the start of the season. Standings will be made available on a weekly basis. All contest info is on the Web at www.bartscontest.com

7. Replacement of players is *not* allowed. One of the secrets of the game is to get lucky and pick players who remain healthy all season. Double check your entry to make sure that it is legal. Not all players are on the master list but I have left some free agents on it so be careful.

8. \$50 first \$25 second "sleeper" awards. Each year some players are selected on only one entry. After the hitters and pitchers are rank ordered by points earned, the person who selected the highest scoring player in each category will be awarded \$50 for "going out on a limb". If entries exceed 350 in total there will be 26 weekly awards of \$15+ to the owner scoring highest during the week. There also will be two extra contests for hitters. a home run derby contest and a stolen base contest. For the pitchers a strikeout contest.
